Dear Sir,

The Mysore State Medical Conference is held every year for the last 25 years, at one of the District Head-quarters and towns like Kolar and Hassan, smaller in size and importance than Davangere, have more than once had the privilege of inviting the Conference So far, the Sessions was not held even once in Chitaldrug District, which is certainly no compliment to us To retrieve the honour of this city, the local branch of the Indian Medical Association has arranged for the Conference to be held here during Christmas this year

About 300 delegates are expected to attend the Conference and it should be our pleasant duty to make their short stay as comfortable as we could e have sought the help of the generous-minded public men to enable us to make the conference a - thorough success

As President of the Reception - Committee, I have been asked to approach you and the Municipal Council, with a request for a liberal grant, befitting its own status and the cause for which the - request is made You are aware of the - service the medical practitioners, both official
